MSR PRICE STRUCTURE

INVACARE TRACER EX2

(MSR Price Structure)

The Invacare Tracer EX2 wheelchair sets the new standard in manual wheelchairs. The Tracer EX2 combines the design and technology of the Invacare 9000 series and incorporates it into the Invacare Tracer series. A true dual axle position allows for repositioning the 24" rear wheels and 8" casters for adult and hemi seat-to-floor heights. Offset permanent arms offer full seat width up to 20" with a permanent arm, hemi-spaced footrest and full range of accessories. The EX2 design also makes it possible to interchange components with the Invacare® 9000 Series chairs.

We Have The Lock On Wheel Chair "Safety"

Features

- Durable, low-maintenance, triple chrome-plated, carbon steel frame is long-lasting
- Dual axle positions allow variation of seat-to-floor heights
- Offset permanent arms available in 16", 18" and 20" widths
- 14-gauge crossbraces add strength and durability
- Urethane rear tires mounted on "no flex" wheels offer superior Performance
- Low-maintenance, dual-sealed precision bearings
- Heavy-duty inner liners keep seat and back from stretching
- Flame-retardant upholstery resists mildew and bacteria, as well as cold-crack and UV damage
- Upholstery is dual-embossed
- Meets RESNA standards for manual wheelchairs in product performance

Safer Lock Cleaning Procedure

- * The material used in the Safer Automatic Wheel Locks is developed by one of America's top corporations, DuPont. The plastic materials used in the locks include Zytel nylon, a component that is strong, durable and slides easily against itself and metal without lubrication. Even when exposed to water, Zytel will not corrode. The Safer Locks also have stainless steel and zinc hardware to allow the Safer Locks to be washed by any cleaning method without the risk of rust or corrosion.

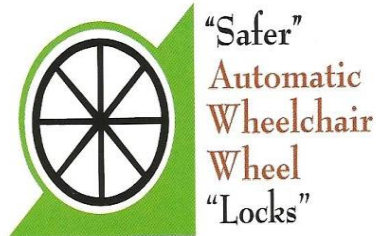

Safer Lock Warranty

- * The Safer Automatic Wheel Locks are warranted to be free from defects in material and workmanship under normal operating conditions for a period of **TWO YEARS** after purchase date. Safer Locks sole obligation under this warranty will be replacement of the Automatic Wheel Locking Device and Shipping. This warranty does not cover failure due to abuse, misuse, alterations or improper installations done by outside facilities.

Invacare Tracer SX5

(MSR Price Structure)

The Invacare Tracer SX5 lightweight frame weighs less than 36 pounds, which makes this chair perfect for rental and long- or short-term use. The Tracer SX5 now combines the design and technology of the 9000 series wheelchairs, making it possible to interchange components. The Tracer SX5 offers multiple seat widths, arm styles, sectional back and seat-to-floor heights by utilizing the dual axle position frame base. The 20" and 22" widths include a semi-pneumatic caster and chrome handrim to accommodate a weight capacity of 300 lb.

We Have The Lock On Wheel Chair "Safety"
